## Queen sheds her furry bits for snowflakes

THE Queen has caved in to snowflakes and gone fur-free, according to her personal adviser and senior dresser.

Angela Kelly wrote in her new memoir that Her Majesty will no longer be wearing such items for engagements due to changing attitudes.

The monarch (*above*) has previously had a number of fur items in her wardrobe, including the purple velvet robe she wore to her 1953 coronation ceremony.

In her book, entitled *The Other Side of the Coin: The Queen, The Dresser and the Wardrobe*, Ms Kelly says a coat worn by the Queen in Slovakia in 2008 has since been altered.

The coat's trim – which originally used mink fur – has been replaced with fake fur.

And any new outfits designed for the Queen will now use fake fur instead of real stuff.

## Nursery teen held over sex offences

A NURSERY has been closed after a worker was arrested on suspicion of child sex offences.

Cops have scoured CCTV from Jack and Jill Childcare in Torquay and identified kids as young as two as potential victims.

The teen male employee was held after allegations of sexual assault were made in July.

Devon and Cornwall Police immediately launched an inquiry, with the suspect arrested and released.

Detectives contacted around 100 families whose children attended the nursery during the investigation period.

A HUGE amount of foam in Salford's River Irwell baffled the public yesterday morning.

It was described on social media as "bizarre" and "weird" by locals, while another added "looks like loads of soap suds".

An Environment Agency spokesman confirmed that the organisation was aware of "foam pollution" in the Irwell as well as the River Roch, but a spokesman said it was unaware of the source.

Alastair, 30, of Manchester,

said: "It was a pretty continuous stream of white foam – at first I actually thought it might have been ice, it was so thick."

"It's not the first time I've seen pollution in the Irwell, but it's by far the worst."

An Environment Agency spokesman added: "We are aware of foam pollution in the River Roch and downstream in the River Irwell in Manchester."

"We are currently on site investigating and are working to resolve the incident."

## MI5 boss calls for release of Russia probe before election

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

THE former head of MI5 has called for a report into alleged Russian interference in the UK democratic process to be published BEFORE the General Election.

PM Boris Johnson has been accused of holding back the report by the Intelligence and Security Committee after indicating it would not be cleared for release before Parliament is dissolved today.

However, Lord Evans of Weardale, who was MI5 director general until 2013, says that if ministers were not prepared to release it, they should explain why.

He told the BBC: "In principle, I think it should be released. Part of the reason for having an Intelligence and Security Committee is that issues of public concern can be properly considered and the public can be informed through the publication of the reports once they have gone through the security process."

"If the Government have a reason why this should not be published before the election, I think they should make it clear what that reason is."

FEARS: Lord Evans says we should be told about Putin

On Monday the Prime Minister's spokesman indicated the necessary clearance process has yet to be completed.

A spokesman said: "There are processes reports such as this have to go through before publication. The committee is well informed of these."

### Sensitive

The ISC oversees the work of the agencies – MI5, MI6 and GCHQ – and in the course of its work has access to sensitive intelligence material. Its reports are submitted to the Government before publication to ensure no

sensitive information is inadvertently made public.

Dominic Grieve, chair of the Parliamentary Intelligence and Security Committee, has said the process was normally completed within 10 working days.

However, this was disputed by Government sources who said that it usually took six weeks.

Mr Grieve expressed concern that the report – which is reported to have looked into whether interference by Vladimir Putin's Russia affected the result of the 2016 EU referendum – contained information "germane" to voters in the upcoming election.

## Jo: Number 10 or bust!

THE General Election could be "a moment for seismic change", when "a new and different politics" emerges, big tits Lib Dem leader Jo Swinson has said.

In a speech at the party's campaign launch, she said she could do "a better job" than either Boris Johnson or Jeremy Corbyn as prime minister.

In response, the Conservatives said a vote for the Lib Dems "risks putting" Mr Corbyn into Downing Street.

Speaking in London, Ms Swinson said: "Our country needs us to be more ambitious right now, and we are rising to that challenge."

"It is not about the red team or the

blue team, because on this issue they merge into one – both Labour and the Conservatives want to negotiate and deliver Brexit."

"I never thought that I would stand here and say that I'm a candidate to be prime minister, but when I look at Boris Johnson and Jeremy Corbyn, I am absolutely certain I could do a better job than either of them."

The Lib Dems currently have 20 MPs and they are hopeful of gaining seats in London and south-west England, but they would need a dramatic shift in the electoral landscape if they were to win a majority.

# 'SATANIC' KILLER, 15, GETS LIFE

THE 15-year-old boy who murdered schoolgirl Ana Kriegel after sexually assaulting her near Dublin nearly 18 months ago has been jailed for life.

Ana (*left*), 14, was found dead in an abandoned farmhouse in May 2018 and two boys were found guilty of her "sadistic" murder earlier this year.

Boy A, who was also convicted of aggravated sexual assault, was also

sentenced to life yesterday with a review period after 12 years.

The second boy, also aged 15, was handed 15 years' detention with a review after eight years.

Sentencing the boys at Dublin's Central Criminal Court, Justice Paul McDermott said the lives of Ana's relatives had been "shattered in the most cruel circumstances".

On the first day of the murder trial Ana's

mother Geraldine told the court that her daughter was very vulnerable and despite looking older than her 14 years, she was a "child on the inside".

The six-week trial heard how police found a book with a "satanic pledge" at Boy A's home.

References included those to a "satanist cult", detailing a number of "rules", which included no "talking about Jesus or God, only Satan".

# PAMMY'S VEGAN NOSH IN PRISON

## Busty star's bizarre call

**BAYWATCH** legend Pamela Anderson is set on making lags' lives more uncomfortable by forcing them to go VEGAN.

Pamela, 52, has pleaded with Canada's snowflake Prime Minister Justin Trudeau to remove milk and meat from prisons, to improve the inmates' health and to help save the planet.

Pammy said she had taken the next step with her plans to reform prison menus, and had contacted the recently re-elected PM for his help.

### Staples

In her letter, the actress and activist explained that a vegan diet would improve the health of inmates, as well as save taxpayers money.

By removing staples like meat, eggs and milk, and replacing them with beans, rice, lentils and pasta, she argues that funding prison meals would be a fraction of the cost.

She said it would provide inmates all of the nutrients that they need while also having a lasting, positive impact on the environment.

The letter is part of

Pamela's ongoing work with animal rights group PETA and also adds that because most vegan ingredients don't need to be refrigerated, food could be served at "a fraction of the cost."

A Prison Service source said that prison meals are "always open to suggestions but good luck getting lags to enjoy it."

## 'TERRY WAS ALL GOLD'

TESS Daly has described working with the late Sir Terry Wogan on *Children In Need* as an "utter privilege."

Wogan hosted the annual telethon for 35 years, latterly alongside the *Strictly Come Dancing* presenter.

Tess (right), 50, said working with the veteran broadcaster was the highlight of her time on the charity programme.

She added: "The highlight of my *Children In Need* years will always be getting to stand by the great man, Sir Terry Wogan's side."

## Son 'racist tweet' is probed by cops

AN offensive tweet posted after the Everton versus Tottenham match is being investigated by cops.

The post reportedly used racist language to describe Spurs player Son Heung-Min (above).

The South Korean was sent off during the match at Goodison Park after a challenge on Everton midfielder Andre Gomes.

A Merseyside Police spokesman said the force received a report of the Twitter post following the match on Sunday.

He added: "We will not tolerate hate crime in any form and are working to identify and bring to justice anyone found responsible."

# GOAT SHAGGER: RANDY NANNY FANCIED ME

PIC posed by model

**A MAN who had sex with a female goat before strangling it said the animal seduced him, "I was attractive to her".**

But the owner of the goat has suggested this may not be the first time he's bonked a nanny goat.

The goat's owner found a wallet with documentation containing the suspect's name near the dead beast.

**By COLIN HURST**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The female owner said when she found it dead she noticed the goat had some unusual injuries near its tail.

### Sick

The sick incident took place in Radunjaca – a small town near Bosnia-Herzegovina's second largest

city, Banja Luka.

She reported the case to local police and an investigation was launched.

A post-mortem was conducted on the animal's body, which found the farm animal had been the victim of bestiality before being strangled.

The prime suspect is a 32-year-old local postman who was named in police reports only as "V.V."

The owner of the goat told

reporters: "The man was questioned by the police and was detained for 24 hours, after which they released him.

### Charged

"He did not deny it, and when he met my son, he told him 'You know when I went and saw the goat, I was attracted to her... she drew me in'."

It is not known if the suspect has been charged.

## Grinning Holly 'photobombed' Aniston show

HOLLY Willoughby confirmed that she makes a cameo in Jennifer Aniston's new telly drama, *The Morning Show*.

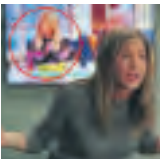

The 38-year-old couldn't help but grin as she made the announcement while stood next to co-host Phillip Schofield on *This Morning* yesterday.

Holly (above) revealed that she "photobombs" the *Friends* star in her new Apple TV+ series.

The new show follows the story of an American news programme and its main character, news anchor Alex Levy, played by Jennifer.

Holly makes an appearance on a TV screen behind Aniston.

During the clip, Jennifer's character rants and rages off air as Holly beams on the TV in the background.

## Crime agency changes tack on internet sex

MOVES to shut down websites used to sell sex have been abandoned by the National Crime Agency.

Under a new strategy, they will instead advise the "adult services" sites on how to "improve their standards" to stop the exploitation of slaves.

Those running the sites will be told how to verify ages and to be alert for suspicious signs such as several people being advertised by one person.

Other indicators include "bait-and-switch" adverts, where a photograph of a woman is used to lure a customer who finds a different person when they arrive to have sex.

Adam Thompson, head of the NCA's modern slavery and human trafficking unit, said: "The marketplace for sexual services is not on the street any more, it's on the internet and traffickers take advantage of that."

# VICKY SHAME AT ON-SCREEN SEX

## I was young and daft says telly star

These aren't just panties, they're M&S panties...

IT'S been nearly seven years since model Rosie Huntington-Whiteley joined forces with top British retailer Marks and Spencer.

And the blonde babe couldn't resist teasing her new M&S collection as she shared some teaser snaps of herself on Instagram.

The supermodel, 32 (left), looked incredible as she showed off her jaw-dropping figure in a pretty white lace underwear set.

Rosie displayed her washboard abs and ample assets in a plunging bra which she teamed with a pair of matching knickers.

A fan said: "I don't know about her pants but I've just spunked in mine."

GETTING STICKY: Vicky in another on-screen sex romp

## STUNNING Vicky Pattison has revealed she feels ASHAMED about her sexy on-screen romps

The reality star, 31 – who shot to fame in 2011 – said in a TV interview: "I'm not proud of everything I've done and I'll be the first person to hold my hands up and say there are bits of my past that made me feel a bit ashamed."

She was one of the original cast members of *Geordie Shore* eight years ago, a show which saw much sex on-screen.

However Vicky kept her prudish exterior, leading to a running joke forming among the cast that "Vicky doesn't bang".

## Romps

Over time though, her resolve weakened when she grew amorous with her then-boyfriend Dan in series two, and later enjoying frequent romps on camera with her later-fiancé Ricci Guarnaccio.

Then, during various stints on MTV dating show *Ex On The Beach*, Vicky had a one-night stand with Ross Worswick before enjoying a romance with Daniel Conn, while also getting close with Stephen Bear.

On ITV show *Lorraine* yesterday morning she said: "I got my start in reality TV and I think it's very hard to find

that that's the norm, I often overshare.

"If you look back at anybody's early '20s there are things that make them cringe, but I'm a firm believer that you can never be old and wise if you haven't been young and daft."

WORKERS on South Western Railway are to strike for 27 DAYS in the lengthy dispute over guards on trains.

Members of the Rail, Maritime and Transport union will walk out between December 2 and New Year's Day, causing travel chaos for commuters and shoppers.

RMT general secretary Mick Cash said: "At the last meeting with SWR, principles in agreements were made in good faith with the company's negotiating team and we now feel hugely let down again."

"As long as the company continues to refuse to give assurances on the future operational role of the guard, we will remain in dispute."

## Rees-Mogg 'sorry' over fire advice

JACOB Rees-Mogg has "profoundly" apologised for suggesting Grenfell victims should have used "common sense" and ignored fire service guidance not to leave the burning tower block.

His apology came after an LBC appearance on Monday, during which the Commons leader had discussed London Fire Brigade's stay-put policy, saying: "If you just ignore what you're told and leave you are so much safer."

"I think if either of us were in a fire, whatever the fire brigade said, we would leave the burning building. It just seems the common sense thing to do."

But after calls to apologise, he said yesterday: "What I meant to say is that I would have also listened to the fire brigade's advice to stay and wait at the time."

"However, with what we know now and with hindsight I wouldn't and I don't think anyone else would."

Grenfell United said his words were "painful and insulting to bereaved families".

## Hookers to get cabins fit for a shit and a shag!

PUBLIC shithouses will double as sex cabins for prostitutes in a bid to improve their working conditions.

Two cabins are to be installed in a trial along Kurfürstenstrasse, Berlin's largest street prostitution area.

Each will have two doors to make it easier for prostitutes to leave if clients become abusive or violent.

"We know they have two functions. But the second function doesn't have to be pointed out," said one official.

Prostitutes in the city are running out of secluded open-air spaces in which to work.

And residents have complained that house entrances, underground car parks and even their cellars are increasingly being used for sexual encounters.

**A SLEAZY pensioner who groped four nurses during a hospital stay told police it would have been acceptable behaviour 40 years ago.**

Pervert James Mitchell targeted the nurses after being admitted to hospital with a stroke.

A court heard that when the victims, who were in their 20s and 30s, complained about the 69-year-old sexually assaulting them, he'd grin at their distress.

Prosecutor Kevin Wardlaw told the court of the first attack when a nurse was making him comfortable in a chair next to his bed.

### Dirty

Mr Wardlaw said: "He grabbed her buttocks. She told him it was unacceptable and he sat grinning."

The court heard a second nurse was assaulted as she put Mitchell to bed and he "groped her bottom", then asked if he could see the hospital chaplain as he was having "dirty thoughts" about her.

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The third victim was attacked as she gave Mitchell a bed bath.

Mr Wardlaw said: "He touched her breast with his hand."

The final victim was subjected to two attacks as she tended Mitchell.

The first was when he cupped her bottom and then "smirked and smiled" and the second was when he put his hand up her dress to touch her inner thigh.

When asked by cops if he thought his behaviour was appropriate, Mitchell told them "it would have been 40 years ago".

Mitchell, of Sunderland, was sentenced to eight months' jail, suspended for two years at Newcastle Crown Court after he admitted five counts of sexual assault.

# FAKE TWIN GIRL'S NAPPY FETISH

CON: Childs  
tricked carers

**A WOMAN pretended to be her own disabled identical twin sister – to trick nurses into changing her nappy.**

Rachel Childs is accused of inventing an identical twin sister with disabilities in a ruse to hire caregivers from health and social care website Care.com.

She was arrested in January, but now police have added more charges after it emerged that Childs played the same sick trick with other carers.

"After everything came to light, it started making sense and I felt disgusted, I felt disgusting," said one caregiver who asked to remain anonymous.

"When I spoke to the detective about it, she just kept saying it's crazy because your story exactly matches the other lady caregiver's story."

## Emotion

Court records say Childs, 30, used the website claiming she "needed a caregiver for her autistic twin sister, Cat Childs".

The carer says she met with Childs in person before starting work at her home in September 2018.

The woman said Childs appeared to be a concerned sister, who was responsible and mature, working as a legal secretary while attending law school.

By GRACE HOOPER  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Shortly after that initial meeting, the carer began watching "Cat", who had been described as non-verbal and not potty-trained.

The caregiver says it was during the diaper changes when "Cat" began to act inappropriately.

"Court records say she would then touch herself".

"I realised at one point, it seemed like she was using emotion that was not just reaching down to touch, it was more like pleasing herself," said the caregiver.

And that behaviour happened, she says,

two to three times each shift.

The caregiver says she never saw the twins in the home at the same time, never saw pictures of them together and noticed they had the same tattoo.

But it came to a head when she saw "Cat" one day with a scratch on her nose and Rachel the next day with the same scratch.

"It highlighted it for me and made me realise, 'Hey, like this is supposed to be a different person, but I'm looking at the same scratch'," she said.

Childs, of Houston, Texas, is facing charges of hoax for sexual gratification, prostitution and indecent exposure.

**A WHOPPING 40 percent of women over the age of 50 wish they'd slept around more in their younger days.**

A poll of 1,500 females aged 50 and over also found 73% wished they'd been "more adventurous" in the bedroom.

And 16% said the secret to a good sex life was to act like a "cougar" and get a much younger lover.

Despite this, 69% of those quizzed said they reckoned the best sex was yet to come.

A total of 41% of those polled by luxury biscuit company Elizabeth Shaw said they felt "comfortable in their own skin" now.

Half of those quizzed also said they'd quit a job they hated when they hit 50 and were now doing something they "truly loved", with 12% starting to write a novel and 19% taking up volunteering.

## LAUREN: I WAS SPIKED IN VIDS

TRANS star and former boy Lauren Harries says her recent bizarre "sexy dancing" online vids were the result of her drinks being spiked.

The 41-year-old celeb became the talk of Instagram after she shared a series of troublesome videos which went viral.

In the clips, Lauren danced around in skimpy outfits while smacking her rear with a broken arm, which was in a cast at the time.

## Drugs

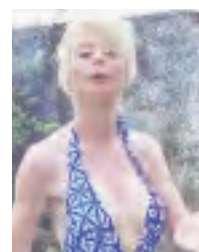

Many fans commented that Lauren "looked like she was on drugs" – which she had now addressed.

The reality TV star said: "Perhaps I wasn't in the right place at that time, because people were influencing me and I didn't feel myself."

"I don't know what I was having in my drinks when I was having them, because I wasn't opening them."

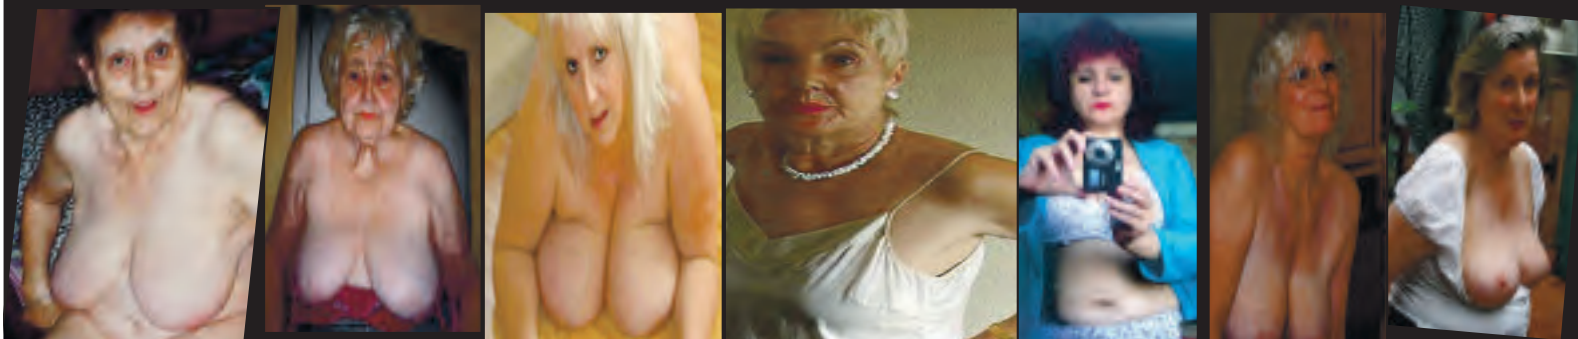

"Looking back my eyes were a little off-camera, and I didn't know."

"So if someone is doing that to you, and you don't realise, it makes you think."

Because it ain't his looks, is it? The latest buzz is that Pete's hooked up with supermodel Cindy Crawford's 18-year-old supermodel daughter Kaia Gerber.

Kaia joins a long list of birds reportedly seduced by 25-year-old Pete's charms.

But Pete's not the only bloke of less-than-movie-star looks to have landed some top crumpet.

Today we look at some of the gargoyles who've copped off with top-flight blart...

## Mum bonked lads dating daughters

A MUM has been jailed for four years after pleading no contest to having sex with two teenage boys.

Prosecutors claimed Coral Lytle, 42, met the victims through her daughters, who were dating the boys.

They said Lytle (above) gave alcohol and cigars to the victims and would drive from her home to meet them for sex.

In court, family members of both boys – freshmen at Redwood High School in Vasilia, California – read powerful, emotional statements about the impact Lytle's crimes had on their sons and entire families.

"My son was manipulated by a paedophile who changed his life," one father said.

"It has been heartbreaking to see the changes in him. Even seeing her go off to prison can't fix the damage she has done to our son."

## Only-kids in obesity risk

ONLY-children are more likely to be fatter than those with brothers and sisters, research says.

The study, published in the *Journal of Nutrition Education and Behaviour*, found only-children tended to be part of families that ate less healthily, and had parents who were more likely to indulge them in sugary drinks.

In contrast, families with more than one child tended to plan family meals and ate out less.

**TORTURED:** Boyd stabbed Dawnia Dacosta in such a way as to cause maximum pain

## LUCIOUS Boyd, 57, grew up surrounded by death.

His father, James, ran Boyd's Funeral Home in Fort Lauderdale, Florida, where Lucious was helped out, assisting in the embalming of corpses.

But James had no idea his son's fascination with dead bodies would lead to him creating his own – as many as a DOZEN, according to cops.

Because, while the brute still protests his innocence at the one killing he was convicted of, police who delved into his murky past are convinced Boyd is a remorseless mass murderer.

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

When he was eventually snared, Boyd told arresting officers, "What took you so long to catch me?" – an apparent reference to earlier slayings.

It is thought he used the family funeral parlour to dispose of the bodies that piled up around him.

Yet you wouldn't know he was a killer from his outward appearance.

Boyd was a local lothario, lusted over by housewives, while working as a good-natured maintenance man at a church-affiliated daycare centre.

His connection to God counted for nothing, though – and families of victims he slaughtered hope he rots in hell for eternity.

Yves Zacot's 25-year-old daughter, Danielle, went missing following a brief romance with Boyd in 1999. He is convinced Boyd is to blame and is desperate to know the truth before Boyd is put to death.

### Womaniser

Yves says: "I cannot sit by and say nothing. That's why I live."

"The only reason for me to live now is to get answers about Boyd, to get answers to help other victims."

"Boyd needs to repent, confess and reveal the truth of what happened to my daughter."

Boyd, a "charmer" and a "womaniser", first married in 1981 when he got hitched to Edina Birgs.

Since then he's been divorced, remarried, and divorced again while fathering at least eight children.

Edina explains: "He

**OFFICIALLY, violent rapist Lucious Boyd is responsible for just one murder – a harrowing homicide of a young woman involving a mechanical saw, a screwdriver and horrific flesh wounds.**

## MONSTERS OF DEATH ROW

**THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...**

decided not to press charges, leaving police with no choice but to once again let him walk free.

And his reputation for being as slippery as an eel was cemented in 1994 when he again avoided charges despite stabbing another man to death.

### Killing

Boyd was dating the sister of 31-year-old Roderick Bullard when they rowed in October 1993 after Bullard caught Boyd sleeping with another woman.

Boyd plunged a knife into Bullard's chest six times, killing him outright.

He successfully argued self-defence, saying the law stipulated he had "no duty to retreat" – and got off scot-free.

For the next few years Boyd laid low. Then, in the summer of 1997 he went drinking and dancing with an old

female school friend, who can't be named for legal reasons.

Boyd drove his date home in his car, where he demanded sex. When she refused, he lunged for her neck and began squeezing it with his muscular hands.

He forced her to perform oral sex before raping her, shouting: "You don't know who you're messing with!"

She later said: "He would hold my throat and watch me not breathe. I was just looking up, like, 'What's going on?'"

"I started counting the seconds that I wasn't breathing. I remember thinking, 'I can't believe this is how I'm going to die.'"

The woman went straight to the police to file rape charges – but Boyd was cleared of all wrongdoing in February 1999 following a brief trial.

**MORE women than men are shagging more than one lover at the same time.**

Just under a quarter of women and a fifth of men have enjoyed at least one 'open' relationship, according to a new survey.

Opening the relationship up to new partners was instigated either by women or men 15% of the time, with 70% of couples saying it was agreed mutually.

Just under a quarter of women in relationships (23%) and 30% of men said they slept with the same number of partners, whereas 33% of women and 30% of men said one or the other had shagged more.

## Jealous

More women (44%) than men (39%) preferred not to discuss with their regular partner the other people they were sleeping with.

The results are revealed in a new survey of 2,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

More women in open relationships (37%) than men (27%) admitted getting jealous when their partner was seeing someone else.

Just over a fifth of women (23%) admitted they had argued with their partner over the arrangement, compared to just 17% of men.

Just under a third of women (31%) and 28% of men said they had lied about seeing someone else despite

their relationship being open.

More than half of women (52%) and 51% of men said they would never go back to an open relationship after trying it once.

Slightly fewer women (48%) than men (49%) said they thought an open relationship was great and they would try it again.

The same number of women and men (47%) said open relationships can be just as happy as a monogamous relationship.

Significantly fewer women (25%) than men (33%) reckon sex with their regular partner is enhanced by being in an open relationship.

An IllicitEncounters.com survey spokeswoman said: "These open relationships can unquestionably lead to rows and arguments, but they can also be a good way of adding excitement into a stale relationship."

"Most of our members tend to keep their cheating secret – life is a lot easier that way."

## Noisy sex pair thrown off ship

**A COUPLE** say they were kicked off a Caribbean cruise ship on the first day of their two-week trip for having sex too LOUDLY.

The pair were ordered by the crew to disembark in Barbados after bonking in their room with the balcony door open.

They are now launching legal action against TUI cruises after they were left "stranded" with their suitcases.

Renate F and her husband Volker said they were having very loud "consensual sex" in their bedroom while the ship, which set sail on April 1, anchored off Barbados.

The couple claim they had to fork out thousands to pay for a flight to Paris and a train home to Germany.

## GHOSTBUSTER OAP WAVED COCK AT TEEN

**A PENSIONER** exposed his erect penis to a teenager in a supermarket toilet while singing the theme from *Ghostbusters*.

Michael Sibons, 65, exposed his "semi-erect" cock while in the men's bogs in August.

The victim said Sibons peeked under his toilet cubicle before the boy saw the OAP masturbating while muttering the theme from the cult Eighties supernatural movie.

The teen said Sibons continued to peek at him through an opening.

When he opened the cubicle door, he then saw Sibons with his penis in his hand at the Walmart store in Sebastian, Florida.

Sibons (left) grabbed the lad's arm before the victim then punched him in the face.

Indian River County Judge Nicole Menz sentenced Sibons, who pleaded guilty, to 46 days in jail for battery and exposure.

## School Miss had sex with student, 17

A TEACHER has been charged with sex crimes for allegedly carrying on a prolonged sexual relationship with a 17-year-old male high school student.

Gina Richey, 35, was arrested and charged with two felony counts of child seduction – child care worker in sexual intercourse or other sexual conduct with a child.

According to cops, Richey (above) was teaching at Rosedale Elementary School, Indiana, when she began having sex with a male student from Riverton Parke High School.

A police spokesman said the tryst between the teacher and the student 'had been going on for a length of time'.

Earlier this month, the Southwest Parke Community School Corporation released a statement saying a teacher, who was not named, has resigned over alleged wrongdoing.

The corporation also said it fired a teacher's assistant for failing to report the allegations against the teacher.

## Vandal is nabbed for nude chicken rampage on meth

A MAN is facing charges after he allegedly vandalised a chicken coop – in the NUDE.

Jeffery Falls, 37, was found naked sitting in the coop and cleaning everything on the floor.

The victim told police the plants on his front porch were turned over and damaged, adding that he said he didn't know who the suspect was and didn't want him on the property.

The suspect told officers he "did way too much meth," was hallucinating and the door of his vehicle was not answering him when he talked to it.

Falls, from Monroe, Louisiana, had dilated pupils and rigid body movements.

Bail was set at £700, and the suspect remains in custody.

# BUSTY REALITY BABE 'WAS SEX BAIT IN ROBBERY PLOT'

EX-MODEL: Suzi Taylor (right) dated Michael Hutchence (below)

## INXS hunk's ex locked up

A REALITY TV star is accused of holding a Tinder date against his will before he was assaulted and forced to transfer money.

Suzi Taylor, 49, is said to have been used as "bait" and met the 33-year-old male victim on the dating app before taking him home.

Detectives claim the former nude model then demanded cash from him but he refused to pay up.

A 22-year-old man then allegedly entered the room at Taylor's home in New Farm, Brisbane, Australia, before hitting the victim and holding him against his will.

Police claim Taylor also allegedly assaulted the man before she and her friend forced the man to transfer money, and stole his bank card.

## Drugs

The allegations that Taylor faces are known as 'honey potting' – where someone uses a false relationship to lure another person in and take advantage of them.

The former star of Oz home improvement show *The Block* and the 22-year-old man have since been charged with extortion, deprivation of liberty, assault occasioning bodily harm and possessing dangerous drugs.

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

The charges come just months after Taylor pleaded guilty to fraud and theft charges after she was caught using a stolen credit card to buy alcohol.

She was filmed buying £220 worth of booze at a shop in May using a credit card she had stolen from a patient in hospital.

Prior to starring on the *The Block*, Taylor posed for nude photos for *Penthouse* magazine in the early 1990s and once dated dead INXS star Michael Hutchence.

Taylor was denied bail when she appeared in court last week.

BROS: Jake and Max

IN the fantastic new series called *Guilt*, two brothers – Jake and Max – accidentally kill a man.

They think they've got away with their crime, but soon discover they can trust no-one – including each other – in a pitch-black, contemporary thriller from BBC Scotland, screened nationwide on BBC1 on Wednesday nights.

Angie is the American niece of Walter, the man Max and Jake accidentally kill and the character's played by Ruth Bradley.

What viewers may not know is that Ruth has a secret – although not quite as bad a secret as Jake and Max!

And 10 years ago, the Irish beauty stripped in the 2009 flick *In Her Skin*.

# THE WORLD FAMOUS AGONY

## Page

Dear Bexie,

DURING a heavy night on the ale I managed to pull what I thought, in my drunken haze, was a gorgeous woman.

She took me back to her place and soon got to work on my cock. Starting at the base, she licked and sucked me expertly and tickled the tip of my knob with her tongue.

By then we had progressed to the bedroom where she put her lips round my dick again and I soon exploded in her mouth.

Later I shagged her from behind before we both collapsed in an exhausted, sweaty heap.

When I woke in the morning I had a raging hangover and dashed to the loo to throw up. As I returned to the bedroom I saw the woman I had shagged - she was about 50, with droopy tits, and her false teeth were in a glass by the side of the bed.

I ran for it and it's put me right off sex.

What can I do to regain my enthusiasm?

NF, Lancaster

Bexie says...

AVOID pulling another moose by staying sober.

Dear Bexie,

MY missus used to dress up for me and play the slave to my strict master and obey my orders.

Obviously, I made the most of it and would have her sucking my cock as often as I wanted.

But that's all gone out of the window.

She works as an accountant but I was made redundant a few months ago.

Now she lays down the law.

She made a list of my household duties and a list of sexual services that she demands that I perform to order.

As soon as she walks through the door of an evening, I'm supposed to have a meal on the table.

Then I have to fondle her vagina with my fingers before going to work on her clit with my tongue to bring her to orgasm.

Then, after a nap, she demands oral sex all over again and on top of that a good shafting to boot.

I'm a wreck and in no condition to get a job.

What can I do?

DH, east London

Bexie says...

TELL her there will be no more nookie - and see how long she can last without a good seeing-to.

## Cave sex was dark and dirty

Dear Bexie,

I RECENTLY went rambling every weekend, but the fella's left the group. Should I try to get another fella to do me in the bush?

TB, Lake District

Bexie says...

IF it's as much fun as you say, go for it!

Dear Bexie,

I WENT to a party and ended up shagging a blonde in a leather skirt.

It was strictly a one-night stand for both of us but I can't get her out of my head.

HR, Gwent

Bexie says...

GET yourself to a few more parties.

**WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXIE WILLIAMS has been reading through your letters. And here's her advice for you...**

# Rugby players gave me a good rucking!

**Dear Bexie,**

**I'M a divorcee and I've just returned from a holiday in Majorca – where I met another lady of a similar age.**

She'd been a few times before and I was amazed at how many times she'd made it with younger men.

On our second night we got pretty tipsy in a bar and ended up in the apartment of a couple of rugby players who were on a club jaunt.

My new friend quickly got to grips with the dark-haired one, while I was massaged by his hunky blond mate.

I'd forgotten how wonderful it is to be touched like that by a man.

As he caressed me, my stud assured me that I had a great body.

He tweaked my nipples and they responded by hardening.

## Massive

His hand then wandered down to my soaking panties and he slid his fingers gently inside me.

I climaxed almost immediately and as I was still recovering he slipped his massive erection into my pulsating pussy.

I was in a dreamworld as I reached heights of ecstasy I had never enjoyed with my husband.

My blond fella was pumping into me with such force I screamed out.

**Dear Bexie,**

**I WORK behind the bar in a pub and a few weeks ago my boss said he'd pay me £1,000 if he could film us shagging.**

I wasn't sure at first but I really needed some extra money, so I agreed.

After work that night, we went back to his flat and he had everything already set up to film our session.

I started off by giving him a blowjob before he pulled out and shot his load over my boobs.

After I'd worked him back to hardness, he f\*\*ked me from behind.

A week later he offered me another grand if I'd sleep with him and two of his mates.

I had a dick in my mouth, arse and fanny at the same time.

The only problem is that I have still not been paid for either session.

But my boss assured me that he would honour our agreement and wrote a cheque for £2,000 – which later bounced!

When I complained to my boss, he just smiled and said if I didn't stop moaning I'd be sacked.

*GT, Devon*

**Bexie says...**

FIND a new job.

I'd had my eyes closed, but when I opened them I saw my new-found pal right up close as she was being taken from behind by her fella.

Swept along by the mood of the moment, I reached out and grabbed her breasts as they swung beneath her.

As I rubbed her titties, she lowered herself towards me and I snogged her, vigorously thrusting my tongue inside her mouth to meet hers.

## Pounding

I'd never enjoyed such dirty sex.

After our fellas had spent their seeds inside us they took a breather while my pal and I got into the 69 position so that we could lick each other out.

After this we swapped partners and her fella shagged me and the blond hunk did her.

My pussy took a real pounding but I loved every minute of it and had another mind-blowing orgasm.

Once it was over the lads left, leaving me in the arms of my new mate.

But now I'm home I'm worried I might have developed lesbian tendencies.

What do you think?

*TR, Birmingham*

**Bexie says...**

**YOU'VE just been re-awakened to the real joys of sex.**

# Lousy brother came to play while I was away

**Dear Bexie,**

I JUST got back from a six-month holiday touring the world and I'd been looking forward to seeing my hot blonde girlfriend again.

But when we got together it was clear something wasn't right.

Then I got a surprise when my younger brother called to her place for a brew. He seemed very sure of himself around her house.

Then I caught them at it when I got back from the shops one day.

I was walking past the kitchen window to the back door as I saw them.

She was bent over the ironing board as he shafted her from behind and I could hardly believe my eyes as I watched him sliding

in and out of her snatch.

Then she turned round before sinking to her knees and taking his cock in her mouth.

She sucked on him greedily, taking his full length deep into her throat and then she got down on all fours so he could give it to.

She yelled in ecstasy as she climaxed and my brother shot his hot spunk over her arse-cheeks.

I gave them a few minutes to get dressed before walking in, but I didn't reveal that I had seen them.

They pretended that nothing had gone on and I felt insulted.

What can I do?

*MY, Sussex*

**Bexie says...**

**YOU should just let her go.**

# #MY SEX FANTASY

## 'I'd sit on his face while the other woman rode his cock!'

**...WITH KATARINA HARTLOVA, 34 36F-24-34 FROM CZECH REPUBLIC**

**I HAVE a thing for having a threesome with my boyfriend - specifically, sharing him with another woman.**

I fantasise about it all the time and watch a lot of female-female-male porn.

I'm bisexual and there are so many hot positions you can do. As you can see from my pics, I love to get my tits soaped up ready for action.

### Licking

Firstly, we'd start off with a double blowjob - it's most blokes' top fantasy, having two women at his feet, one sucking his cock and the other licking his balls.

Then, I'd love to sit on his face as he lies flat and the other girl is riding his cock, with her boobs bouncing all over.

What a view that would be! Then us girls would swap positions.

And I'd love to be pounded from him from behind while I went down on the woman. So hot!

I imagine at the end we'd collapse in a sweaty mess and order a takeaway - it'd be a right giggle!

**GAIL McKenna made a massive leap in the 1990s – from topless model to kids' TV host!**

Before she moved on to telly fame, she was one of the UK's most popular pin-up girls.

She caused a massive stir in a million trousers when she burst onto the glamour world in 1986.

Fans couldn't get enough of her tumbling locks, perky-looking 34C boobs and girl-next-door looks.

In 1988 the stunna stripped off and showed her naughty side – and much more – in *Playboy*.

But no sooner had nude pictures of the busty babe been plastered over bedroom walls across the country came the very sad news she was quitting modelling.

In 1990 the permed beauty started appearing in pantomimes.

And the Scouse stunna later landed a brief role in Channel 4 soap *Brookside*, playing the girlfriend of Barry Grant.

In 1996 shapely Gail became a television sports presenter for LIVE TV's

*Sports Live* and went on to present the sports shows *Turnstile* and *Live And Dangerous* on the fledgling Channel Five.

In 1998 she landed a gig on kids' channel CITV as a co-presenter on *Brilliant Creatures* alongside Terry Nutkins and Stephen Mulhern.

After that Gail was given a role on *How 2* until 2006, which she co-presented with Fred Dinenage and Gareth Jones.

But, for *Sport* readers only, we've dragged the pretty lass – now aged 50 – out of retirement for one last ogle.

Enjoy, folks!

## JAY HARRIS

**ELECTRICIAN** Jake Neilson reckons sparks would definitely fly if he got a call out to juicy Jay Harris's place.

Jake, 34, has been a sparky for 10 years – but his dream call-out would be to 26-year-old Jay's house in Derby.

He said: "I've worked in some houses owned by tattooed hipster babes, but nothing would beat doing a job for Jay."

"I've dreamed about getting my hands on her 30D knockers and running my tongue along her body art for years and, if she called me out, I'd be getting to grips with a lot more than her dodgy plugs."

## BROOKE LEA

**FIREMAN** Shane Lord doesn't get overheated by much, but the sight of Brooke Lea gets his hose all hot and bothered.

Shane, 48, from Hull, says 26-year-old blonde Brooke, from Taunton, Devon, can slide down his very own pole any time.

He said: "She's out of this world and those 32FF boobs are mind-blowing."

"My pole gets very hard at the sight of her and she's welcome to slide down it – it'd be squirting everywhere within minutes though!"

## SUZI STAR

**RETIRED** civil servant John Jeffries spends his days flicking through the *Sport* hoping to catch a glimpse of his favourite glamour girl, Suzi Starr.

The 72-year-old, from Grimsby, loves to ogle the bare-boobed babes across the pages of the *Sport* – but it's 23-year-old Essex babe Suzi who catches his eye.

John said: "I've been retired 10 years now and my wife passed away six years ago, so I started to buy the *Sport* to keep my juices flowing."

"I spotted Suzi's 32D boobs a while back and I've not seen her for a while. Could you pop in a naughty photo of her for me?"

Here you go John, enjoy your retirement!

CHALLENGE:  
Pep Guardiola

# BOTH CAN SCORE IN CITY WIN

MAN City will qualify for the knock out stages of the Champions League with a win in Italy against Atalanta although it will be interesting to see Pep Guardiola's team selection given the champions visit Anfield on Sunday in a mouth-watering Premier League clash.

City fell behind in the reverse fixture but still ran out 5-1 winners and the Serie A outfit have conceded 11 times in their three Champions League group games. City began Matchday 4 as the 3/1 favourites with BetVictor to lift the trophy for the first time in Istanbul next year and they are 1/2 to take all three points at the San Siro in Milan with Atalanta's stadium being rebuilt in Bergamo but not yet in receipt of a UEFA licence.

The hosts were unbeaten in 12 European home matches prior to their defeat on Matchday 2 against Shakhtar and I feel they will find the back of the City net and the recommendation must be for City to win and both teams to score at 5/4 at BetVictor.

Spurs travel to Belgrade to meet a Red Star side who have lost just two of their last 21 homes in Europe – they beat Liverpool 2-0 in the groups last term.

The hosts have scored 31 times in their last 10 games in all competitions and a point wouldn't be a bad result for Mauricio Pochettino's side who remain short of their best form on the road despite getting a valuable point at Goodison on Sunday.

Spurs are 4/6 to take all three points with the Serbs 18/5 and the draw at 31/10 with BetVictor – the tip must be for Red Star to draw or win at 11/10.

### Qualify

Two of tomorrow's big games in the Europa League involve the Old Firm with Celtic visiting Lazio and Rangers entertaining Porto. Both sides warmed up with routine wins in the semi-finals of the League Cup over the weekend and the Glasgow giants really are head and shoulders above their domestic rivals at present.

Lazio have won their last three in Serie A since their late defeat at Parkhead on Matchday 3 and they appear to be coming to the boil nicely for the visit of the Hoops, but Celtic will qualify for the last 32 if they win and Rennes fail to do so against Cluj.

This is a big ask for Neil Lennon's side, however, and a win for the Rome club would take them within a point of the Bhoys. A point would be a great result for the SPL side, but I favour Lazio who are 8/13 to get their Europa League challenge back on track.

Porto travel to Ibrox with the sides equal on four points from their opening three games after the 1-1 draw in Portugal on Matchday 3. Rangers are unbeaten against Portuguese opposition on home soil and I expect Steven Gerrard's side to maintain their perfect home record in the competition this season (P5 W5).

Rangers are 13/8 to win with Porto favourites at 6/4 with the draw at 12/5. The Portuguese sit just two points behind Benfica in the Primeira Liga. Rangers are 20/21 in the draw no bet market and that's the tip.

Liverpool boss  
Klopp is a big  
fan of teen ace  
Martinelli

# I would love to Kop Martinelli

## KLOPP A MASSIVE FAN OF GUNNERS TEEN ACE

**JURGEN Klopp admits he's gutted to miss out on Arsenal wonderkid Gabriel Martinelli.**

The Reds boss has watched on in envy as the 18-year-old capture from Brazilian side Ituano has hit the ground running in London.

The £5m buy has scored seven times in seven games for the Gunners including a double against Liverpool in the Carabao Cup.

Klopp called him "the talent of the century" after that display and admits he would love to have him at Anfield.

The German heaped praise on Arsenal director of football Edu who clearly used con-

By PAUL THOMAS

tacts in his native Brazil to get the deal done.

Klopp said: "I watch a lot of football, so I saw the Europa League games of Arsenal.

"He's 18 years old, right? So our scouting department is all over the world and stuff like this, but I think Edu gets all the credit for that signing – he came from wherever.

"He's really unbelievable. So young, looks so mature already, is a proper threat.

"Yeah, he looks like a really decent player.

"But I didn't want to put any pressure on his back with this thing but I just really like good football players

and obviously he's a very good one."

It's not all good news for the Arsenal scouts though as they have been accused of making a massive boo-boo when shelling out for Nicolas Pepe.

Eyebrows were raised when the Londoners paid a whopping £75m for the wing man from Lille.

### Leaking

Charlton gaffer Lee Bowyer believes that cash would have been much better spent on a centre-back like Man United's summer capture Harry Maguire.

Arsenal sealed a cut-price deal for Chelsea's David Luiz

but the Gunners defence has been leaking like an old colander.

Bowyer believes it will be a struggle for Unai Emery's men while they continue to shed plenty of goals – only one team in the top half of the Premier League have let in more so far.

Bowyer said: "Defensively they are frail, they concede too many goals.

"Their centre-halves have been a problem for years.

"It's not just been this season, it's been for a while now, but they would rather spend £75million on a winger than a centre-back.

"Harry Maguire would have been perfect for them, why didn't they get him?"

# GIGGS WAITS ON BIG TWO

**WALE boss Ryan Giggs has everything crossed that Gareth Bale and Aaron Ramsey will be fit for the next round of qualifiers.**

The Dragons face key Euro 2020 clashes with Azerbaijan and Hungary and they need their biggest stars on the pitch.

Bale is more of a doubt than Ramsey as his troubles at Real Madrid show no signs of going away. He has not played for his club since pulling on a Wales shirt against Croatia last month.

He has been struggling with a calf strain that means he's likely to miss this week's Champions League action.

Giggs has named his talisman in the 27-man party for the games and is hoping for the best.

The boss said: "It wasn't a big injury, but with the short turnaround it's a worry."

"I'm in constant contact with him and he feels confident that he'll be fit for the game."

"It's just monitoring it this week, literally day by day. The last time I spoke to him he was confident he'd be OK."

The international break comes in after this weekend's domestic games and Giggs hopes Bale gets

By JOHN ANTHONY

some time for Real Madrid against Eibar.

Wales need him at his best given they need wins sitting fourth in their qualifying group.

Giggs is confident that Bale will turn up fit and ready to play.

He added: "That's the ideal situation, that he gets minutes before meeting with us."

"They're huge games and we need to win them, we know what we've got to do."

"We've played against both teams, we beat Azerbaijan and lost against Hungary."

"It's a competitive group, you have to turn up on the night. But we're in good form, we've got momentum and I've been delighted with the last three games with the performances."

## Sharp

"The team is in good shape at the moment and I'm confident."

Ramsey is searching for match fitness having missed the whole of the Euro 2020 qualifying campaign with a series of niggles.

He has started to find his feet at Juventus and his return is a major boost for Giggs.

He said: "He's come on in the last two games for Juventus and he's looked sharp."

"He's looked full of running. He went through a stage where he started three games on the bounce before the last camp before he got that injury."

"I wouldn't say he's 100 per cent match fit but he looks good and he looks sharp. We'll see what he's like when he meets up with us next week and monitor it from there."

UNITED FAN: Aguero

## United still top Kop in rivalry for Aguero

SERGIO Aguero says United are still Man City's biggest rivals.

The champions take on Premier League leaders Liverpool at Anfield on Sunday.

It's being billed as the biggest clash of the season.

Many pundits think the title will be gone if Liverpool pick up all three points at Anfield.

But Aguero still looks forward to taking on the neighbours more than the Reds.

He said: "It may be the clasico for television, but for us, the clasico, it's the match against United."

"Liverpool has always been a tough opponent. But when I arrived, the team we were fighting for the title was United."

## Fighting

"Initially, it was something strange in the city that City competes against United. Then there was Chelsea."

"But these last four seasons, Liverpool have become a very strong team and are now fighting with us to win the Premier League."

"It's the only team in the league that can hurt us. They have been chasing a new league for years."

"Last season, they didn't go all the way, so they are very motivated. This year, they are in front of us and will try to go to the end."

## £3m Sonny league deal

ALL BLACKS star Sonny Bill Williams is making a sensational switch back to rugby league with Toronto Wolfpack.

The Super League new boys have swooped for the 34-year-old who played his last game for New Zealand at the World Cup last week.

He has signed a two-year contract with the Canadians that makes him the highest paid rugby player of all time – in either code.

Williams will be one of two marquee players for the Wolfpack meaning he's outside the salary cap.

Reports in New Zealand suggest he could be paid as much as £3m for the two-year contract.

# SARRIES SHOCK AT POINTS DOCK

SARACENS say they are "shocked and disappointed" after being docked 35 points for breaching salary cap rules.

It means the Londoners are now on -26pts at the bottom of the Premiership table.

That gives their star players like Owen Farrell and Billy Vunipola a mountain to climb to avoid relegation.

The egg-chasers have also been slapped with a £5m fine. The alleged breaches happened over the past three seasons.

The reigning European

## RUGBY UNION

champions will appeal against the decision but the bar has been set high for having the ruling overturned.

A club statement read: "Saracens Rugby Club is shocked and disappointed by these heavy-handed sanctions and will launch an appeal against all the disciplinary panel's findings."

"The club is pleased the panel acknowledged it did not deliberately attempt to breach

the salary cap and steadfastly maintains that player co-investments do not constitute salary under the regulations.

"This view is supported by independent legal and professional experts."

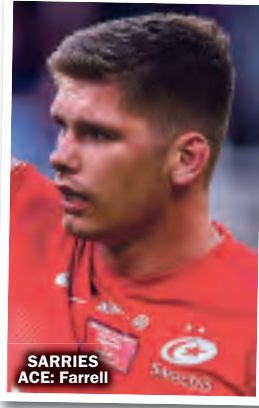

"The club will continue to vigorously defend this position especially as PRL precedent already exists whereby co-investments have not been deemed part of salary in the regulations."

Premiership rugby bosses are adamant that the salary cap is key to the sport. Their

spokesman said: "The salary cap is an important mechanism to ensure a level playing field for Premiership clubs and maintain a competitive, growing and financially sustainable league."

"The decision by the independent panel upholds both the principle of the salary cap and charges brought following an extensive investigation by Premiership Rugby."

"We are pleased that this process has reached a conclusion and we look forward to another exciting season of Premiership Rugby."

# CHELSEA WILL SWOOP

By JOHN ANTHONY

**CHELSEA want to make Wilfried Zaha their first signing – if they beat their transfer ban.**

The Blues are appealing to have their suspension from buying players overturned in time for the January window.

Should they win, boss Frank Lampard will be given a massive warchest to spend straight away.

Crystal Palace Zaha is top of the shopping list but they also want a sensational deal for Borussia Dortmund winger Jadon Sancho.

Chelsea will discover their fate at a special hearing on November 20.
